Housing Plan

- Existing CD Plan not broad enough – needs a neutral review per TM directive
- Broader Plan needed without starting from beginning
- Planning Process needed without a new detailed plan
- Must draw on previous reports/studies including GIS data
- JB has reviewed housing plan and policy and will provide her comments
- Modify JB SOW to support planning process
- Offload some tasks to in-house staff to the extent possible

Judi Barrett

- Need to talk to state earlier rather than later – KB/JB to discuss
- The task to prepare brochure is what state is looking for the most
- How Framingham, as a 10% town, goes about addressing its needs would be of interest to the state
- HLC should drive the process. CAC is only advisory.
